

The key aim of Welsh Higher Education Brussels (WHEB) is to maximise the benefits to the Welsh Higher Education (HE) sector of engaging with wider Europe, by adding value to existing capacity and service provision in Brussels. WHEB is unique in Europe, as the only Brussels office that specifically represents an entire national Higher Education (HE) sector. It is a partnership, established with the support of Welsh HEI's, Higher Education Wales, and the Higher Education Funding Council for Wales.

WHEB was formally launched on 28 March 2006. The event was held in the WHEB office on the Rond Point Schuman, which is in the heart of Brussels' European quarter.

HEFCW is represented on the WHEB board, and works closely with its staff on a range of initiatives for the sector.

For further information see the [WHEB website](#).
