**INITIAL TEACHER TRAINING IN WALES – PERFORMANCE INFORMATION 2005**

I attach the latest edition of *Initial Teacher Training in Wales – Performance Information* which provides information on initial teacher training (ITT) in Wales.

The publication includes background information on the higher education institutions providing ITT in Wales; information regarding the process and outcomes of inspection of ITT providers, as undertaken by Estyn, Her Majesty's Inspectorate for Education and Training in Wales; and tables displaying a range of performance indicators on ITT.

I hope you will make this publication available to those with an interest in initial teacher training and, through your careers service, to those pupils, students or mature entrants who may be considering a career in teaching.

The information will also appear on HEFCW's web site - [www.hefcw.ac.uk](http://www.hefcw.ac.uk).

Yours sincerely

Celia Hunt  
Head of Learning and Teaching
