Introduction

- 1 This Circular announces the publication of proposals for the Research Excellence Framework (REF) – the new arrangements for the assessment of research in UK higher education institutions that will replace the Research Assessment Exercise (RAE).

Background

- 2 Following an initial consultation on the REF published in late 2007 (HEFCW 07/48HE), the UK HE funding bodies have developed detailed proposals for the REF. The proposals build on a pilot exercise on the use of citation information, consideration of how to assess the impact of research as a key new element in the framework, lessons drawn from the 2008 RAE, and extensive expert advice and discussions with a wide range of stakeholders.

Consultation Proposals

- 3 The UK-wide consultation document on proposals for the REF can be accessed at http://www.hefce.ac.uk/pubs/hefce/2009/09_38/. A link to the consultation document has also been published alongside this Circular (under Secondary Documents).

Responses

- 4 Responses to the consultation should be made using the response form which is available alongside the published consultation document.
- 5 Completed responses should be emailed to ref@hefce.ac.uk by **midday on Wednesday 16 December 2009**. They should also be copied to Linda Tiller at HEFCW (linda.tiller@hefcw.ac.uk).

Further Information

- 6 For further information, contact Linda Tiller (tel 029 2068 2228; email linda.tiller@hefcw.ac.uk).
