

## **Nominations to HEFCW's Student Experience, Teaching and Quality Committee**

We currently have one vacancy for an institutional representative on the **Student Experience, Teaching and Quality (SETQ) Committee** due to turnover in membership.

Individual staff members from institutions are invited to submit applications.

The successful nominee should hold a senior post within a higher education institution and be able to contribute at a strategic level to the discussions of the Committee.

We would particularly welcome nominees with experience in quality assurance and enhancement. We are also interested in nominees with strategic experience in learning and teaching in higher education, skills and employability, widening access, initial teacher training, and Welsh medium provision.

Invitations for Vice-Chancellors to make up to two nominations for consideration by HEFCW have also been sent.

In considering the nominations we aim to achieve a spread of institutional and geographic representation on the Committee, as well as take account of the need for diversity of membership. We will retain nominations for a period of one year, to be used should further vacancies for institutional representatives arise in the short term.

All applications must be submitted to Cliona O'Neill by Friday, **25 March 2011**, using the attached template ([cliona.oneill@hefcw.ac.uk](mailto:cliona.oneill@hefcw.ac.uk)).
