

Annex A

The proposed Well-being goals which serve to provide an effective definition of “well-being” for the purposes of the legislation.

Goal	Description of the goal
A prosperous Wales	An innovative and productive, low carbon emission, economy that makes more efficient and proportionate use of resources, and which generates wealth and provides employment opportunities for a skilled and well-educated population.
A resilient Wales	A bio diverse natural environment with healthy functioning ecosystems that support social, economic and ecological resilience and the capacity to adapt to change.
A healthier Wales	A society in which people’s physical and mental well-being is maximised and in which choices and behaviours that benefit future health are understood.
A more equal Wales	A society that enables people to fulfil their potential no matter what their background or circumstances.
A Wales of cohesive communities	Attractive, viable, safe and well-connected communities.
A Wales of vibrant culture and thriving Welsh language	A society that promotes and protects culture, heritage and the Welsh language, and which encourages people to participate in the arts, and sports and recreation.
