Complaints by staff or students concerning a particular institution are to be addressed through the institution's own internal complaints and appeal procedures.

8.2 The Financial Memorandum between HEFCW and HEIs sets out requirements for the governance and management of institutions. Where allegations are received that these requirements are not being met, HEFCW must satisfy itself that the matter has been investigated, appropriate action taken, and relevant people informed.

8.3 HEFCW has received a number of communications from individuals relating to complaints against HEIs. However, upon consideration, there were no allegations against any HEIs funded by HEFCW received during FY 2014-15 that fell within the boundaries of HEFCW's responsibilities and procedure on handling allegations.
