Notes:

HEFCW-fundable undergraduate enrolments and associated credit values are shown.

ASC for enrolments is derived from the primary subject of the course.

ASC for credits is derived from the primary subject of the module.

Highest qualification on entry at same or higher level is determined by banding highest qualification on entry into the levels, postgraduate, first degree or other undergraduate and comparing with the level of qualification aimed for i.e. **levels** have been compared not individual qualifications.

Cells with values between 1 and 4 have been expressed as *. To prevent recalculation of cells expressed as *, some cells with values greater than 4, have been expressed as +.
