

W13/22HE: Publication of the 2013 National Student Survey data, and funding the 2014/15 Survey

Annex A: Change to the embargo arrangements for the NSS

1. HEFCE have now agreed to publish the NSS data on their website on 13 August. The information will include sector summary data as well as complete subject level data for all institutions. The 2013 NSS results will not be reflected in the KIS on the Unistats web-site until 19 September 2013. However, institutions can reference 2013 NSS results in publications and other external communications from 13 August onwards.
2. The embargo date has therefore been amended to **13 August 2013**. The amended timetable is provided below.

2013	2013 NSS results	Unistats site
1 August	Phase 1: NSS data available on the Ipsos MORI NSS results site: <ul style="list-style-type: none"> • institution's own data at the publication threshold of 50 per cent response rate and 23 responses (whichever is the larger), at overall institution level and JACS subject levels • institutions' own detailed data at the lower publication threshold (for internal use). 	
9 August	Ipsos MORI results site: institutions can preview the 2013 HEFCE NSS benchmark data across institutions under embargo until 13 August	
13 August	HEFCE website to publish 2013 NSS results	
15 August	Ipsos MORI to make institutions' own students' open comments available	
29 August	Phase 2: NSS data for all institutions available on the Ipsos MORI results site: <ul style="list-style-type: none"> • sector JACS subject data • custom analysis tool 	
12 September		Preview of full Unistats site including all institutions' NSS, DLHE and KIS data
19 September		Updated Unistats web-site available to the public
